Lester's Collision Repair

Have you been in a car accident? According to state law, insurance companies and car dealers cannot require you to go to a particular shop.

For the finest quality body and paint work, visit **Lester's Collision Repair**, located in Ocala at 343 Northeast 1st Avenue, phone (352) 622-0182. They have the proper unibody repair equipment to restore your car's body to pre-collision condition. They have a frame machine to precisely correct frame damage, a downdraft paint booth that controls air flow and lighting for high-quality paint jobs and a paint mixing system second to none. Mig welders are used for correcting any type of body damage.

When you have an accident, have your vehicle towed directly to the pros at **Lester's Collision Repair**. Let them help you negotiate your claim with the insurance company and provide you with the quality body and paint work you deserve.
